DISCLAIMER: This is a partial list provided as a courtesy to the community from SSCRA. No endorsement nor guarantee of accuracy or completeness is given or implied. Property owners are responsible for confirming the services offered by the contractor as suited to the job at hand. While all duly licensed contractors carry liability insurance as part of their licensure qualifications with the State, certain types of brush removal contractors may also be legally permitted to operate without a license. Responsibility for all liability rests between the property owner and the contractor.
